

Pricelist

Electricity cost

All rental prices are exclusive energy costs. In most student housing the electricity is invoiced together with the rent from Sammen. Some student housing is directly invoiced from the chosen electricity supplier and common electricity is invoiced together with rent.

Fees

Extra services will be charged with a fee. The fees cover the actual costs. When you are living here the fees will be charged together with the rent.

Administration costs

Violations that lead to extra costs for Sammen Housing, as calling Securitas or other personnel or damage to property may be charged the tenant from 2500,- NOK per common kitchen and from 1000,- NOK for single rooms. The cost will be estimated from the effective costs.

Cleaning of vacated residence

If your home, storage room or common ground is not properly cleaned, you will be charged with an invoice from a cleaning company. Price from 500,- NOK.
