

Price list

Studentsamskipnaden på Vestlandet

Sogndal - Valid from August 1st. 2021.

Rent prices and energy costs

Rent prices for the different houses are found in a separate document "price list - rent and utilities". Electricity is excluded in all house rents, but energy costs are charged together with the monthly house rent.

Fees

Extra services and not fulfilled contractual obligations will be given a fee. The fees cover our actual costs. When you are living in our houses the fees will be charged together with the house rent invoice.

Deposit

Deposit NOK 5000,- for shared accommodation and NOK 10 000,- for apartment.
